TOWN WARRANT

State of New Hampshire

To the Inhabitants of the Town of Bath qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said town on the second Tuesday of March next at ten o'clock in the forenoon to act upon the following subjects:

Article 1 To choose a Town Clerk, one Selectman for three years, one Trustee of Trust funds for three years, one Library Trustee for three years, a Town Treasurer, an Auditor, one or more Highway Agents, and all other necessary Town Officers and Agents for the ensuing year.

Article 2 To hear the reports of Officers and Agents heretofore chosen and pass any vote relating thereto.

Article 3 To see how much money the town will vote to raise and appropriate for the town officers' salaries and expenses, for repair, maintenance and construction of highways and bridges, for the support of Town Library, for support of town poor, for the observance of Memorial and Old Home day, and for all necessary town charges and expenses for the ensuing year.

Article 4 To see what action the town will take in regard to securing State Aid for its highways and to raise and appropriate such sums of money as may be necessary for that purpose.

Article 5 To see if the town will vote to raise and appropriate the sum of three hundred dollars for the control of White Pine Blister rust.

Article 6 To see if the town will vote to dispense with the delivery of inventory blanks until April first.

Article 7 To see if the town will authorize the selectmen to administer or dispose of any real estate acquired by the town through tax collector's deed.

Article 8 To see what action the town will take to authorize the Selectmen to borrow money in anticipation of taxes.

Article 9 To see what action the town will take in regard to charging non-residents for lots in the town cemeteries.

Article 10 To see if the town will vote to discontinue, subject to gates and bars, the road toward South Landaff from the Rojo ranch turn to the Landaff line.

Article 11 To see if the town will accept State Aid for construction of Class 2 road known as Monroe road and raise and appropriate or set aside for said purpose the sum of \$1,393.50 or will accept State Aid for construction of Class 5 roads and raise and appropriate as set aside for said purpose the sum of \$673.25.

Article 12 To see if the town will vote to raise and appropriate one half mill on each dollar of the town's valuation toward the support of the Congregational Church.

Article 13 To see if the town will vote to adopt the provisions of the Municipal Budget Act.

Article 14 To transact any other business that may legally come before this meeting.

Given under our hands and seal this 23rd day of February A. D. 1935.

JAMES N. SOUTHARD,
MINOT W. WOODS,
Selectmen.

M. A. WEEKS, District Treasurer.

July 1, 1934.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Bath Union of which the above is a true summary for the fiscal year ending June 30, 1934 and find them correct in all respects.

ROGER A. REED, Auditor.

July 10, 1934.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Bath Union
High School District:

I herewith present my fifth annual report as superintendent of schools.

The statistics for the year 1933-1934 are as follows:

Enrollment in the elementary grades, 55; in the high school, 28; total, 83. The non-resident tuition pupils in the grades numbered 7; in the high school, 14. The per cent of attendance was 92.36; cases of tardiness, 191; school visits by members of the board, 8; by the superintendent, 110; by citizens, 139. Three pupils were on the roll of honor for perfect attendance: Roger Estes, Hazel Dunlap, Bernice Estes. Six were promoted in June from the eighth grade to the high school: Francis Blair, Hubert Chase, Verlin Chase, Howard Estes, Edward Gates, Mary Paquette.

Up to the present time this current year, 1934-1935, there have been enrolled 44 in the grades and 32 in the high school. The teachers are Ernest O. Pederson, Headmaster; Mrs. Ellen S. Chase, assistant in high school; Meredith E. Sisco, grammar room; Mrs. Nella M. Pederson, primary room; Lottie M. B. Underhill, school nurse.

Because of aid received through state and federal funds, it has been possible to do more than usual for the physical welfare of the children. Twenty-two pupils had work done at the dental clinic and three had vision corrections made. Most of last year milk was furnished to a small group.

I would call your attention to the many activities of the high school described in the headmaster's report. It seems very worth while to provide for the natural interests of boys and girls and to help them learn how

to use their leisure time to advantage. The meeting and competing with those from other towns, the playing the game according to the rules, and the sportsman-like accepting of victory or defeat have much educational value.

In view of the economic situation it does not seem wise to plan more than the most necessary repairs. It might be well however to keep in mind the possibility of a new furnace for the south side as the days of the old wood furnace are undoubtedly numbered. An inexpensive culvert across the already much improved driveway is needed. The other minor repairs I think are provided for by the regular appropriation.

Respectfully submitted,
EDWARD A. JANES.

REPORT OF THE HEADMASTER

To Superintendent Edward A. Janes:

I herewith submit my fourth annual report as headmaster of the Bath High School.

Registration

School opened September 10 with an enrollment of 30 pupils, 16 girls and 14 boys. A post graduate student was admitted October 1 and a transfer from Lisbon entered October 2. This made a total registration of 32, 17 girls and 15 boys. Of this total, 2 members, one of whom was the post graduate student, have left school and an additional one has transferred to Woodsville, thus making a total of 29 pupils now enrolled. This number exceeds last year's total enrollment by 2. The present enrollment by classes is as follows: Seniors, 4 girls and 4 boys; Juniors, 2 girls and 1 boy; Sophomores, 2 girls and 3 boys; Freshmen, 7 girls and 6 boys. It is interesting to note that the Freshmen class is unusually large this year.

The total number of tuition pupils originally registered for 1934-1935 was 19. Due to one transfer the total number at present is 18, 14 from Swiftwater and 4 from Bath Town. There are 4 more tuition pupils than the total number registered as tuition pupils for 1933-1934.

School Program and Organization

The Teacher-Pupil Time Table is as follows:

	Mr. Pederson	Mrs. Chase
9:00- 9:05	Assembly	
9:05- 9:45	U. S. History	Hist. of Civ.
9:45-10:25	Sociology	Latin 2
10:25-10:30	Recess	
10:30-11:10	Algebra	French 1
11:10-11:50	Bookkeeping	French 3
11:50-12:50	Noon	
12:50-12:55	Assembly	
12:55- 1:55	Physics	Eng. 1 & 2
1:55- 2:55	Biology	Eng. 3 & 4
2:55- 3:00	Recess	
3:00- 3:30	Student Activities Period	

Assemblies of the student body are held daily the first 5 minutes of each session. These assemblies have consisted of announcements, song, reports on current events, and talks by the headmaster on Character in connection with selections read from the books, "Out For Character" and "Living at Our Best."

The Activities period provides a 30-minute period each day wherein pupils are freed from the regular school obligations unless they require drill on fundamentals. With thoughtful consideration the superintendent and members of the school board have permitted us to use this period for occasional drill in sports, which is an important function of all schools. This period is also used for play rehearsals and other extra-curricula activities.

Assemblies

At frequent intervals outside speakers have given talks to the students during a general assembly period. Among these during the last year, Professor Stearns Morse of Dartmouth talked on "Russia," Mr. Amos N. Blandin on "Taxation", the Rev. B. M. Smith on "Idylls of the King," Miss Zellene Young, "The Value of Grammar"; Miss Mary Morris, "Literature and Life"; Mr. William Monahan, "The White Mountain National Forests"; Mr. Stanley Johnson, "Opportunities of Education Today"; and superintendent Edward A. Janes showed reels on the life of Abraham Lincoln.

Student programs were given in observance of Pulaski Day, Armistice Day, Memorial Day, Constitution Day, Columbus Day, National Education Week, and Conservation Week.

Student Government

The High School Student Government meets Tuesdays twice a month. The student body is divided into a Senate and a House of Representatives. The Senate consists of the class presidents and vice-presidents. The House of Representatives is made up of all the other members of the School.

Under this system all money raised by the school is placed in a general fund. All the activities of the school are supported by this fund. From this fund the senior graduation expenses are paid and the class is allowed twenty-five dollars for their senior trip. This system eliminates rivalry between classes in the raising of class funds and makes for a better school spirit.

The student treasurer is appointed by the faculty and his duties are to act as bookkeeper and issue all checks, with the headmaster's endorsement, in payment of bills after they have been approved by both Houses.

At the end of the year the books will be audited by Mr. Hascall Stimson, the school's auditor.

If the faculty feel that any bills passed are not for the good of the school, they reserve the right to veto them.

Music

The school is handicapped in carrying on work in music by the lack of a good piano. In spite of this, singing is a part of each morning assembly. A school orchestra would be a great asset to the school, as a help not only in school programs, but also in social functions.

Repairs and Improvements to School Plant and Grounds

The following improvements and repairs were made during the last year: doors were repaired with new panels and locks, floors were oiled twice, new furnace pipes were installed, the lunch box shelf in the hall was strengthened, and more clothes hooks were put up in the hall.

The road to the school has been filled with gravel and the improvement has been greatly appreciated by the students and teachers. The snow ploughs have kept the road and path in excellent condition.

Athletics

The basketball season for 1933-1934 was the most successful in the history of the school. The boys' team, with an undefeated season of 9 victories, was invited to participate in the state Championship Tournament held at the University of New Hampshire. The trip to Durham gave the boys an opportunity to see the best teams in the state play basketball. In addition to this the trip offered a cultural value since visits were made to the various departmental buildings on the University Campus.

This years' boys' team is trying to duplicate last years' record, and to date has four victories to its credit.

The members of the girls' basketball team are proving their sportsmanship in the way they take their defeats, all of which have been by small margins.

The 1934 baseball team won 5 out of the 8 games scheduled.

The school was represented by teams at the Lancaster and Woodsville Track Meets last spring.

Winter Sports

Interest in winter sports has gained with the result that our contestants are being entered in all the carnivals of this section. This far, teams have taken part in the Lancaster and Woodsville Carnivals, and plans are being made to have our School represented by a team at the Lisbon, Littleton, Whitefield and Bath Winter Carnivals.

The high school is sponsoring the Bath Interscholastic-Winter Sports Tournament this year. This project should be of great benefit to the students in developing a spirit of cooperation and community interest.

Social Functions

A one act play, "Accidents Will Happen" written by Kathlyn Whitcomb under the direction of Mrs. E. Chase, was presented before the school by the Junior class.

A three act comedy-drama, "Ace High" was presented at the Town Hall under the direction of Mrs. E. Pederson.

Several other social functions given by the school are as follows; Two socials, Hallowe'en party, and Poverty Ball.

Comments

I appreciate the interest and cooperation of parents and citizens of Bath in our School.

I would recommend that the walls and ceilings of the school be retinted during the coming summer. This would improve the general appearance of the building.

A telephone in the building would be of great assistance in school administration and in cases of emergencies.

Again I would suggest that a drinking fountain be placed in the corridor and that proper washing facilities be installed in the basements.

The Bath Union Spirit, the schools' yearbook, will be published in May.

In connection with General Science the class took a trip to Lisbon to study the new bridge. On a second project they visited the Lisbon Manufacturing Company.

A fine spirit of loyalty and cooperation exists in the student body. This facilitates the general progress of the school.

The janitor has rendered fine services and his work deserves favorable mention.

I thank the school board and our superintendent, Mr. Janes, for their support and cooperation in all school matters.

Respectfully submitted,

ERNEST O. PEDERSON, Headmaster.

BUDGET FOR 1935-1936

Bath Union School District

School Board's statement of amounts required to support public schools and meet other statutory obligations of the district for the fiscal year beginning July 1, 1935.

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Bath Town, of which the above is a true summary for the fiscal year ending June 30, 1934 and find them correct in all respects.

ROGER REED, Auditor.

July 7, 1934.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of the Bath Town School District

I herewith present my fifth annual report as superintendent of schools.

The enrollment for the year 1933-1934 was 75; the per cent of attendance, 92.83; pupils not absent nor tardy, 3; cases of tardiness, 131; school visits by board members, 9; by citizens, 154.

The three pupils on the roll of honor for perfect attendance were Allen Young, Etta Hooker and Carroll Foster.

Thirteen pupils were promoted in June from the eighth grade to the high school Donald Carr, Barbara Hunt, Merlyn Welch, Helen Austin, Wendell Arsenault, Isabelle Young, Lena Bedard, Oliver Moulton, Eunice Whitcomb, Leona Hastings, Carroll Foster, Ernest Poor Barbara Church.

For the current year of 1934-1935 the enrollment has been 48. Ten elementary and thirty-one high school pupils attend schools outside of the district. The teachers and numbers of pupils registered in each school are Mrs. Elizabeth G. Hooper, Swiftwater, 15; Rita E. Thayer, Nutter, 12; Doris M. Stimson, Pettyboro, 8; Edith M. Stevens, Carbee, 13. As may be seen by comparing the figures for last year with those of this, the number of pupils is much less at present. If this condition continues it would probably be wise to close one or two of the schools. An economy would be effected and the children would be benefited by being in larger groups.

I have been asked by the school board to call attention to the desirability of selling the Hibbard school. An unoccupied building goes to pieces rapidly and is likely to suffer damage, from acts of vandalism by lawless wanderers.

Federal and state funds have made possible some very necessary physical welfare work. Twenty-three children were treated at the dental clinics and two at the tonsil clinic. Two had corrections made for vision defects. Federal funds also enabled us to paint the interiors of the Swiftwater, Nutter, and Pettyboro schools. Some celotex at Swiftwater will finish up the improvements started last winter.

Respectfully submitted,

EDWARD A. JANES
